## DIMENSIONS

## FEATURES

- Adjustable distances guarantee a perfect fit for every head shape.
- Adjustable height provides ultimate neck support and comfort.
- Softened and smoothed pad surface offers a luxurious feel and elegant appearance.
- Ball joints enable swiveling, ensuring the pads fit securely to every head.
- The flat bottom of the wooden board ensures stability.
- Rounded edges on the bottom plate save weight while enhancing safety and futuristic design.

## MAINTENANCE

All of these wooden materials meet the same hygiene requirements as traditional sauna benches. The product needs to be dried after using. It is important to thoroughly brush frequently using a wooden brush and water. Once in a while, you can use organic soap with water for cleaning in case of stains.
