DIMENSIONS

FEATURES

- Adjustable distances guarantee a perfect fit for every head shape.
- Adjustable height provides ultimate neck support and comfort.
- Rounded edges ensure added comfort and safety.
- Softened and smoothed pad surface offers a luxurious feel and elegant appearance.
- Ball joints enable swiveling, ensuring the pads fit securely to every head.
- The flat bottom of the wooden board ensures stability.

MAINTENANCE

All of these wooden materials meet the same hygiene requirements as traditional sauna benches. The product needs to be dried after using. It is important to thoroughly brush frequently using a wooden brush and water. Clean stains with organic soap and water.
